

What is mySea?

mySea is a location-based digital travel guide you can use to discover the most beautiful locations in your sailing area. Available free of charge online and as an app, mySea provides water sports enthusiasts with a lot of information about all anchorages such as harbours, buoy fields, jetties or bays. In addition, most POIs (points of interest) have a short description as well as details regarding water depth, type of mooring, anchoring ground, anchor holding, wind protection, swell, etc.

Not only will you find information about anchorages on **mySea** but also about fuel stations, supermarkets, restaurants, beaches, tourist attractions and a whole lot more in every sailing area.

In short: **mySea** provides everything sailors find interesting. Detailed POI descriptions, useful insider tips, thousands of images, comments and reviews all make **mySea** a practical sailing companion and guide.

Are you looking for insider tips for your sailing trips?

No problem as you will find numerous tips for trips on **mySea**. Many charter companies and professional skippers have combined their knowledge and experience to make helpful trip lists. Idyllic fishing harbours, secluded anchor bays, beaches with fine sand, recommended restaurants, interesting tourist attractions, where to find provisions and lots more. Follow the lists to stay well-informed and to see what other enthusiasts are saying about the POIs.

Sheltered bay with a dream beach?

Are you looking for a sheltered bay with good anchoring ground, a perfect beach and a nice restaurant? Is the bay quiet or do generators roar until late at night? Where are anchorages surrounded by unspoilt nature and what does it look like there? What facilities does a harbour have and what can I expect of the area surrounding the harbour? Where can I find a nice small tavern or the nearest supermarket if self-catering?

Find the answers to all of your questions on **mySea**. Select the relevant filter options to do an additional individual search.

Online and as an app

mySea is available as a free website and app for Greece, Croatia and Turkey. Shape **mySea** actively with your knowledge: create lists of sailing trips, save your favourite locations, complete or edit POIs, review places you have visited and upload the corresponding images.
